Dear Sir/Madam,

We are pleased to announce that as of **September 2024** there will be an exciting opportunity for boys and girls (aged 7 and over) to join the Choir of Belfast Cathedral. All keen young musicians with a passion for singing are invited to join us, with no previous singing experience necessary.

Choristers will benefit from the opportunity to:

- Receive a free, first-class musical education, including opportunities to learn to play the piano and organ
- Develop lifelong skills, and join a warm and welcoming community
- Be part of history by participating in a choral tradition that spans over 120 years in one of Northern Ireland's most iconic buildings
- Make music at events of national significance, including for television and radio broadcasts
- Receive a small token payment each year

The Choir will rehearse each **Thursday** during term-time (**5-6.30pm**). Choristers will be expected to sing at two Sunday morning services each month (which begin at 11am), in addition to festive services at Christmas and Easter and special events.

I will be delighted to hear from all who wish to register their interest, and will be happy to answer any further questions. Please do not hesitate to get in touch by contacting the Cathedral office using the details above.

With best wishes,

Jack Wilson
Organist and Master of Music
